Dear Mr. North:

The Division finds your amended Notice of Intention to Commence Small Mining Operations (Notice) complete. The reclamation surety amount has been recalculated based on this amendment. The revised surety required for the amended 1-acre project is \$7,400.00. Please contact Penny Berry at 901-538-5291 or email bondcoordinator@utah.gov, to obtain the appropriate forms for the reclamation surety and reclamation contract. Please provide the completed surety and reclamation contract for this project by November 30, 2009. Failure to do so may result in the Division withdrawing its tentative approval for this project.

Thank you for your cooperation. In reply, please refer to file number S/049/0069. If you have questions or concerns regarding this letter, please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310.

Sincerely,

Paul B. Baker
